November 1-2, 2024 Breeders' Cup World Championships Rules and Regulations

1. Pre-entry and entry fees are accepted subject to approval by Breeders' Cup Limited ("BCL", in BCL's sole and absolute discretion. The propriety of the amount of the enclosed fee will be determined by BCL and pre-entry and entry fees if determined to be other than that which accompanies this document shall be paid in full before a horse is permitted to start in a Breeders' Cup World Championships ("BCWC") race. Pre-entry and entry fees will not be added to purses but will become the property of BCL. BCWC purses will be distributed in accordance with the information as set forth in the 2024 BCL Horsemen's Information Guide, which is expressly incorporated herein in its entirety and as now or hereinafter in effect, and in accordance with applicable law.
2. Horses which start in any BCWC race will earn a foal nominator award that will be paid to the person who nominated the horse. A stallion nominator award will be paid to the person who nominated the sire of the horse to BCL. Stallion nominator awards will be paid to nominators under the International BCL program in accordance with the rules of that program, which are expressly incorporated herein in their entirety as they may be now or hereinafter in effect. Nomination in this sense means registering the horse or sire in the BCL program and does not mean pre-entry or entry in BCWC races. Nominator awards shall not be transferable without prior written authorization of BCL. Purses and nominator awards shall be distributed after certification that the purse is distributable. Purses shall be distributed by the host track and nominator awards shall be distributed by BCL after all post-race testing has been cleared.
3. Pre-entry and entry in BCWC races are received only upon the condition of compliance with the applicable rules and regulations governing Thoroughbred horse races adopted by the state or other regulatory authority where the races are run, the rules and regulations of the track, the rules and regulations of BCL and compliance with any decision of the state regulatory officials and/or officers of the track and/or BCL, regarding the interpretation and application of their respective rules and regulations. BCL shall have no liability for the actions of any officials or employees of any such track or for any matter under the control of such track, its officials or employees. Purses shall be payable to the rightful parties recognized as such by state regulatory officials. All other amounts, including, without limitation, travel or other awards or incentives, are awarded in the sole discretion of BCL.
4. A horse entered in a BCWC race may be scratched by authorized regulatory officials if (i) such horse's equipment malfunctions, is damaged or lost and cannot be remedied within sufficient time, in the judgment of authorized regulatory officials, to allow the race in which such horse is entered to start at post time for such race or (ii) if any other unavoidable event occurs with respect to a horse entered in a BCWC race, or to its jockey, which cannot be remedied within sufficient time, in the judgment of authorized regulatory officials, to allow the race in which such horse or jockey is scheduled to participate to start at post time for such race. In the event of a scratch under such circumstances, the pre-entry fee and entry fee due at entry which were paid in respect of such horse may, in the sole and absolute discretion of BCL, be refunded. Owner recognizes and agrees that the authorized regulatory officials have the final authority regarding official scratches and waives any claims against BCL related thereto.
5. BCWC races are limited to 14 starters, and in some cases 12 starters. A horse may not double-enter BCWC races. Entries will be selected in accordance with the BCL Field Selection System or by such other method as BCL may determine in its sole and absolute discretion. The BCL Field Selection System is set forth in the 2024 BCL Horsemen's Information Guide and is expressly incorporated herein as such rules may be now or hereinafter in effect. BCL reserves the right to transfer any turf race to the main course and to modify the distance of any race to accommodate the track selected for every race. BCL reserves the right to cancel any, or all, BCWC races without notice prior to the actual running thereof, without liability, except for the return of pre-entry and entry fees. Entries must satisfy the minimum entry qualifications of BCL as set forth in the 2024 BCL Horsemen's Information Guide and expressly incorporated herein as now or hereinafter in effect.
6. BCL eligible or nominated horses are subject to out-of-competition ("OOC") testing at any time. Sampling and/or testing may be performed by any applicable regulatory authority in the jurisdiction(s) where a horse may be located, by the Horseracing Integrity and Welfare Unit ("HIWU"), by international regulatory authorities in cooperation with HIWU, or by any delegee of any of the foregoing. This testing will be in accordance with the applicable rules which may include the Horseracing Integrity and Authority, Inc.'s ("HISA") rules. The Breeders' Cup OOC testing will be performed by The Kenneth L. Maddy Equine Analytical Chemistry Laboratory at UC Davis or such other laboratory or laboratories as HIWU or the applicable regulatory authority may direct. All routine testing meets or exceeds the protocols established by HISA and/or HIWU and is required by BCWC to ensure that the highest possible level of testing is performed on all samples and to preserve and protect the integrity and reputation of the BCWC. HIWU or its designee conducts OOC testing in accordance with HISA rules, expressly incorporated herein as the same may be now or hereinafter in effect, including without limitation HISA Rules 3132 (Authority To Test), 3135 (Ownership of Samples), and 3137 (Purpose of Sample Analysis).
7. BCL's Condition of Integrity is in full effect: (A) If any connection of a pre-entered horse has been notified by a regulatory body, racetrack, or racing association (i) about a pending or potential anti-doping or medication control violation involving the connection, or (ii) that such connection is currently suspended, banned, ejected or denied from participating in racing in its jurisdiction or facility, such connection must immediately report the same to BCL; (B) BCL may, in its sole and absolute discretion, declare ineligible any horse in any BCWC race if any connection (e.g., owner, trainer, jockey) of such horse has engaged in any conduct that is unlawful, unethical or may otherwise compromise the integrity or reputation of the BCWC.
8. In making any application for participation in Thoroughbred racing, it is understood that an investigation may be made by the appropriate authority as to the character, reputation, mode of living and financial standing of the Owner(s), which investigation may involve interviews with family, personal or business acquaintances.
9. Owner hereby expressly and irrevocably grants BCL the exclusive right to use, in connection with the promotion of the BCL program or any other commercial use by BCL, the name and likeness of the Owner, any horse pre-entered, entered or nominated and of any co-owners, jockeys, trainers, colors, logos, silks and any other associated or identifying characteristics as well as any other matter relating to the participation of the horse in the BCL program. Promotion or use by BCL may include, without limitation, telecasting, broadcasting, photographing and/or recording in any manner, by still or motion picture, radio or television broadcast, digital or immersive media, or any other media transmission, whether known or hereafter developed, the races which are a part of the BCL program and the activities incident to them, and broadcasting, exhibiting, merchandising, and/or exploiting the same by any means now or hereafter known or developed, including, without limitation, licensing or selling such rights to others for uses approved by BCL. Owner hereby expressly, irrevocably and perpetually waives on his behalf and on behalf of all Owner Parties any and all rights any of them may have in connection with any matter referred to in this paragraph, including, without limitation, any claim to invasion of the right to privacy, the right of publicity, for misappropriation, for infringement of trademark, trade dress and other intellectual property rights, moral rights or "droit moral," or for any remuneration therefor. Upon demand, Owner shall cause any of the Owner Parties to deliver releases to BCL permitting it to use and exhibit such material. Owner Parties understand and agree that BCL reserves the right to use names, trademarks, service marks, copyrights, symbols, logos, slogans, results, still and motion pictures, audio reports, trailers, promos and other identifying characteristics relating to BCL and the BCL program and that any such use by Owner Parties of any of them is prohibited without the express prior written consent of BCL. BCL reserves all rights to advertise the BCL program in any manner deemed appropriate by BCL. Neither Owners nor trainers shall display commercial advertising, before, during or after the BCWC in which the horse is entered without express prior written approval of BCL. Jockeys shall not display commercial advertising, before, during or after the BCWC race in which the horse is entered except in accordance with the jockey advertising rules in effect for the BCWC and approved by the Stewards. Please refer to the jockey advertising rules set forth in the 2024 BCL Horsemen's Information Guide.
10. All claims and objections arising out of the application or interpretation of any rules or conditions of BCL shall be decided solely by BCL in its sole and absolute discretion. Information regarding the Appeals Procedure for BCL shall be furnished to any person submitting a written request for such Information to Breeders' Cup Limited, Attn: Appeals Board, 215 W. Main St., Suite 250, Lexington, Kentucky 40507. Any person wishing to object to any action or decision by BCL in the application of its rules or conditions must, within thirty (30) days of being advised of such action or decision, submit to the Appeals Board a written objection in compliance with the Appeals Procedure and shall be entitled to an oral hearing upon making a written demand as set forth in the Appeals Procedure. The Appeals Procedure shall not be applicable to matters arising with respect to the field selection for the BCWC races or to the Condition of Integrity. All matters concerning field selection or the Condition of Integrity are decided by BCL in its sole and absolute discretion. Owner agrees that any dispute with BCL regarding any BCL rule or policy subject to arbitration herein shall, following the exhaustion of all administrative remedies available under the laws and regulations of the applicable state or other regulatory authority in which the BCL races are conducted, be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and the award rendered by the arbitrator(s) shall be recognized by Owner and BCL and judgment thereon may be rendered in any court having jurisdiction thereof. BCL reserves the right to waive or modify its rules and regulations on a case-by-case basis at any time. Any waiver, failure to enforce or modification by BCL of any of the terms and conditions of the Horsemen's Information Guide at any time shall not in any way affect, limit, or waive BCL's right thereafter to enforce and compel strict compliance with every term and condition of the Horsemen's Information Guide.
11. Owner agrees to indemnify and hold harmless BCL (or if for any reason indemnification is not available, to contribute to BCL's losses), to the fullest extent permitted under the law, from and against any and all claims, damages, liabilities, losses, costs or expenses, including reasonable attorneys' fees (should BCL select its own counsel which it may do in its sole and absolute discretion), to which BCL may become subject or liable as a result of or arising out of directly or indirectly: (i) any action or conduct of any horses owned by or under the control or direction of Owner while on the race track premises, and (ii) any acts, or failure to act by the undersigned Owner, any Co-owners, or any of their agents, employees or invitees while on the race track premises; or (iii) any breach by Owner of the terms and conditions contained herein.
12. Owner agrees that BCL may inspect and copy for its own use all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Owner's horse(s) nominated, pre-entered or entered in BCWC races. Owner further authorizes HIWU or the applicable regulatory body to share with BCL any and all information about all pending or potential positive tests, out-of-competition tests, atypical tests or findings, or violations related to Trainer or any of Owner's horses in furtherance of this Agreement and waives any objection or claim related thereto against HISA, HIWU, BCL, the applicable regulatory body, or any of their respective affiliates. Furthermore, Owner agrees and acknowledges that BCL retains all rights to address any and all media inquiries and that any and all information provided to BCL related to any horse, its Owners or connections is not confidential and may be disclosed by BCL if BCL believes, in its reasonable discretion, that such disclosure is necessary to address a factual or other material misstatement that may call into question the integrity or reputation of BCL.
13. Owner recognizes that participating in stabling, racing, training and related activities is inherently dangerous, and further recognizes that hazards and risks inherent in such activities may cause the injury, illness, or death. By participating in such activities, Owner assumes the risks associated therewith. In consideration of participating in stabling, racing, training and related activities associated with BCL, Owner hereby releases, waives against and discharges BCL, to the fullest extent permitted under the law, from any claims, losses, obligations, costs and expenses arising from or due to personal injury, illness, or death or property damages of any kind or description to the person, property or horses owned or controlled by Owner occurring on the race track premises. Owner agrees that all risk of loss, injury, damage or destruction to persons or property, including but not limited to, the horses brought onto the race track premises by or at the direction of Owner, his agents or employees, arising from, due to, caused by, resulting from or in any way, directly or indirectly, related to any cause, including but not limited to accident, theft, fire or otherwise, whether or not caused by or contributed to by or related to any fault or negligence of BCL or the condition of the race track premises, and including, without limitation, the danger of being exposed to or infected by COVID-19 or another infectious disease, are assumed in full by Owner, except as to acts or conditions caused by the intentional, willful, or reckless conduct of BCL. Owner agrees that the release and waiver and discharge provisions hereof are intended to be as broad and inclusive as permitted by the law. Owner further agrees that the foregoing provisions hereof regarding such release and waiver and discharge shall not be deemed waived or affected in any way by the fact that BCL does or does not, may or may not, in the future carry insurance coverage against claims where loss is caused by or resulting from damage or injury to property, persons and/or horses while competing on the race track, using the training tracks, stables, roads or any other facilities over the race track premises or in transit thereon.
