IMPORTANT INFORMATION

EQUINE SHIPPING

North American Shipping

Horses based in North America must arrive at Del Mar by 11:00 am (PDT) Tuesday, October 29. At this time, two scheduled FedEx Aircrafts will depart for San Diego from Newark, NJ, and Cincinnati, OH. Further details regarding these flights will be provided to horsemen later this summer.

International Shipping

Internationally-based horses must arrive at Del Mar no later than Sunday, October 27.

Please contact or have your shipping agent contact Chris Santarelli at Mersant International, official import agent for Breeders' Cup, to register your interest and to make your flight arrangements: +1 718-978-8200. Chris Santarelli - Cell: +1 917-561-2890, e-mail: chriss@mersant.com

Due to quarantine barns being established on a temporary basis and containing only six units, specific shipping dates and restrictions will be established.

QUARANTINE

Horses arriving at Del Mar from foreign countries by charter or scheduled aircraft will be flown directly to San Diego. These horses will be escorted by the United States Department of Agriculture (USDA) personnel to the USDA quarantine facility barns at Del Mar where they will receive testing and remain in quarantine for 42 hours. After negative tests are received and the 42 hours have passed, horses must remain in the quarantine barn area in isolation to maintain re-entry requirements to their respective countries.

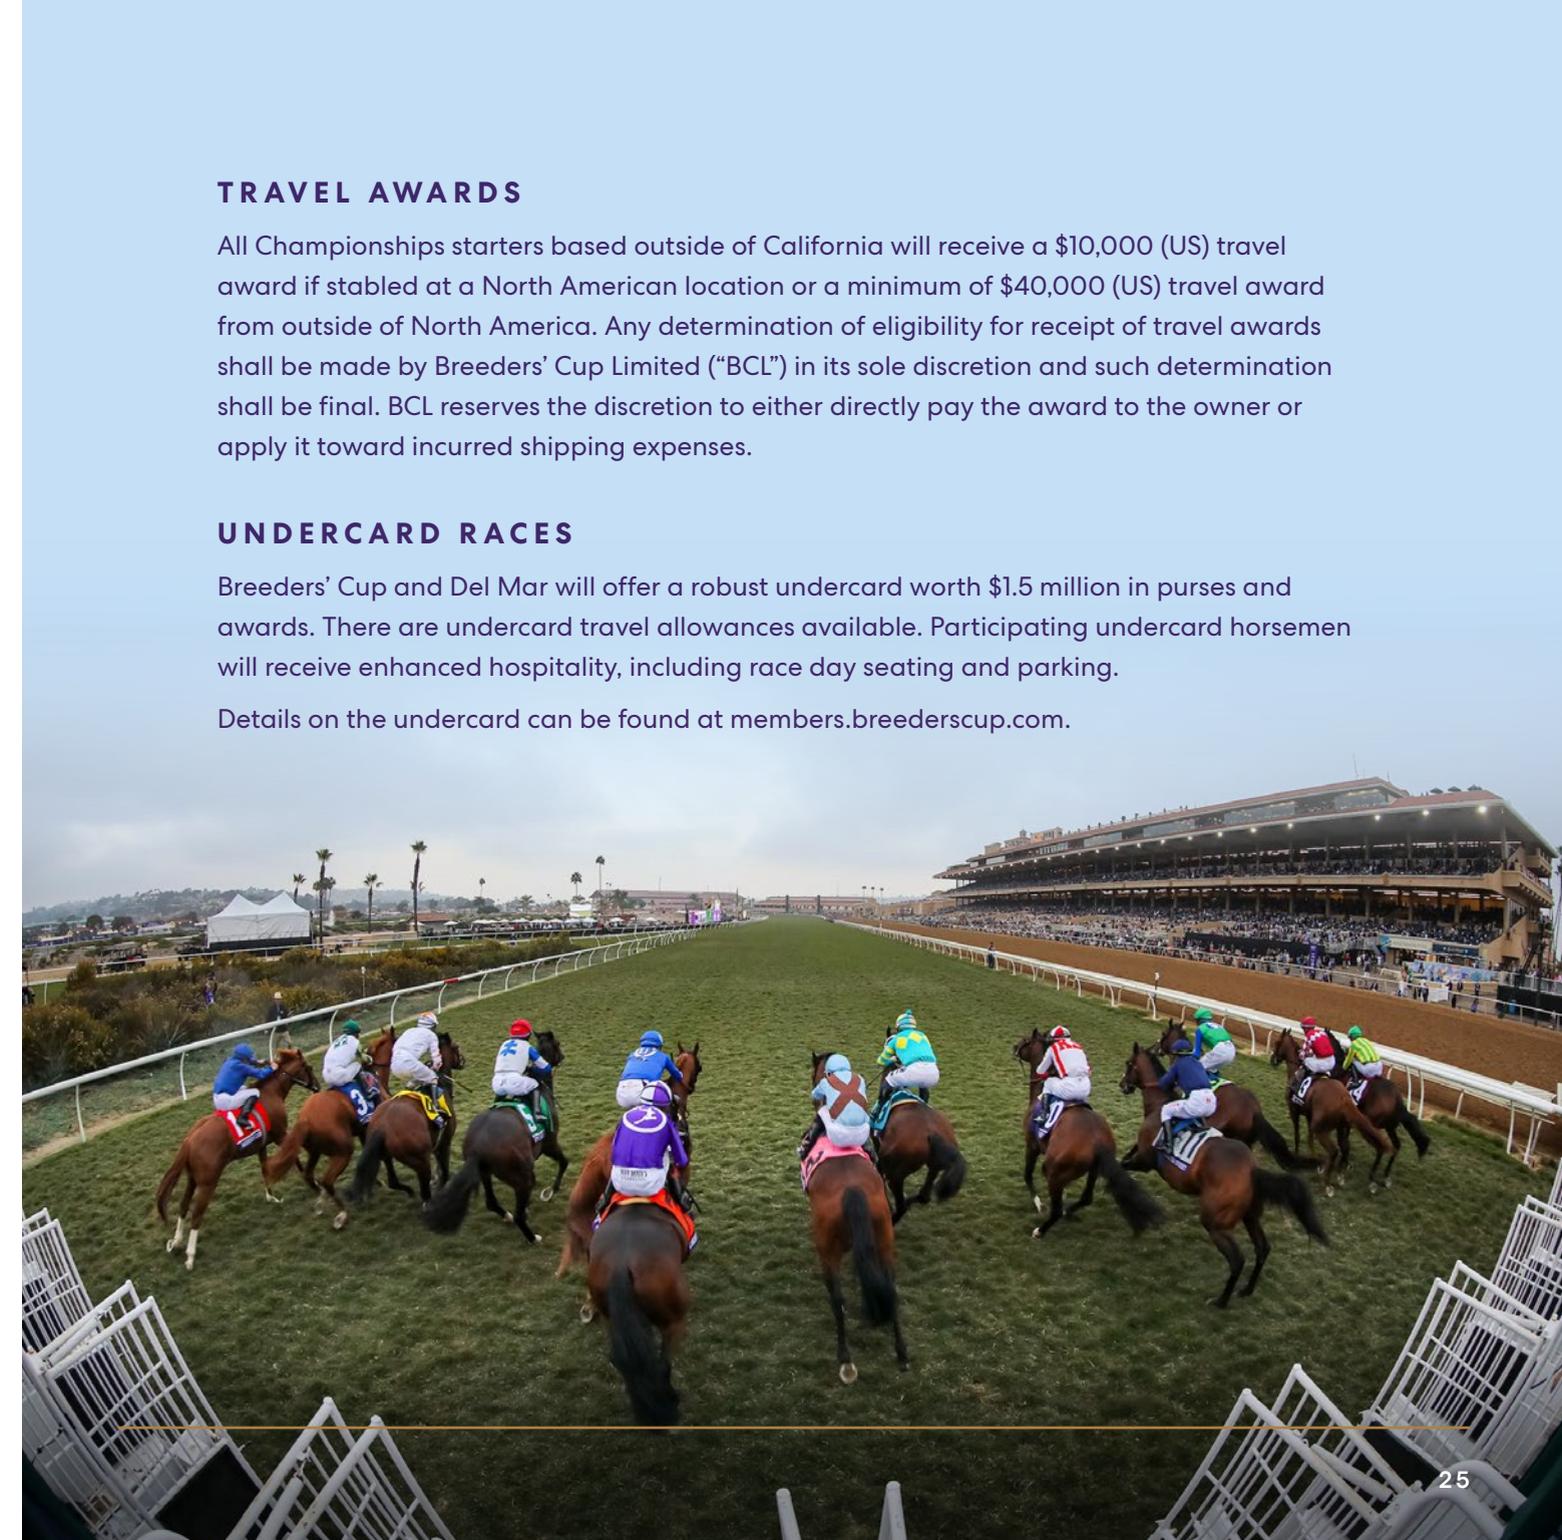

TRAVEL AWARDS

All Championships starters based outside of California will receive a \$10,000 (US) travel award if stabled at a North American location or a minimum of \$40,000 (US) travel award from outside of North America. Any determination of eligibility for receipt of travel awards shall be made by Breeders' Cup Limited ("BCL") in its sole discretion and such determination shall be final. BCL reserves the discretion to either directly pay the award to the owner or apply it toward incurred shipping expenses.

UNDERCARD RACES

Breeders' Cup and Del Mar will offer a robust undercard worth \$1.5 million in purses and awards. There are undercard travel allowances available. Participating undercard horsemen will receive enhanced hospitality, including race day seating and parking.

Details on the undercard can be found at members.breederscup.com.

CHRB, LICENSING, AND INSURANCE

All owners, trainers, jockeys, grooms, and others acting in any capacity within the stable area, or anywhere at Del Mar, are required to procure the appropriate license or licenses and pay the fees required. Licensing for owners, trainers, and jockeys must be completed with the CHRB. Additional information can be found on the CHRB website at chr.ca.gov/licensing.html.

INSURANCE

The California Horse Racing Board (CHRB) requires that a signed, written binder of Workers' Compensation or a Certificate of Insurance verifying proper coverage be in its file before a trainer's, owner's, and/or stable employee's license can be issued, or a horse permitted on the grounds.

Important: This process for Worker's Compensation Insurance takes time to complete. Please begin your application at least three weeks prior to your arrival.

All out-of-state policies must state "covers all racing operations in California." If an international trainer has a policy in America that states this, they are covered. International and/or out of state workers' compensation coverage is acceptable with proper endorsements.

Please contact Allie Rodriguez at Post-Time Insurance to begin this process.
